

REFRIGERATION

The iconic refrigerators in Smeg's retro range are coveted the world over. Available in ten vibrant colours, they aren't made to be hidden away in the corner of a kitchen or bar. They are instantly recognisable, high-impact appliances, deliberately designed to make a bold statement.

Smeg's fingerprint-proof stainless steel range of refrigerators are frost-free and offer side-by-side options, vertical freezer stacking, a system which can add weeks to the shelf life of your food, chilled and filtered water, cubed or crushed ice, the list goes on. Some models even boast a clever hatch for easy access to milk and other items.

FAB32

330L Bottom Mount Retro Refrigerator

Available in a delicious range of colours, the FAB32's appeal isn't just skin deep. The refrigerator section offers auto defrost and quick-chill crystal glass features, four big shelves, a chilled meat keeper, a drip funnel and a chromed wine rack. The freezer includes two ice trays and two frozen food drawers. The FAB32 also has an impressive 4.5-star energy rating. H1790mm x W600mm x D726mm (including door)
